RIGHTS OF LAWFUL PERMANENT RESIDENTS

IMMIGRATION ADVICE FOR
GREEN CARD & VISA HOLDERS

STAY INFORMED

YOU HAVE RIGHTS

Lawful permanent residents continue to have the right to live and work in the United States and make brief trips abroad while maintaining their permanent residence in the United States.

YOU HAVE PROOF

Your ten-year green card is proof of your status. If you lose it or it expires, you are still a permanent resident.

Lawful permanent residence is a status - **only an immigration judge can take away your permanent residence.**

BE AWARE

Do not sign anything to give up your status without seeing a judge.

We are aware some green card holders returning to the US, who have incurred criminal records since receiving their green card, have been arrested and are currently detained.
